INTRODUCTION

The 5th General Elections to Urban Local Bodies (ULBs) were held on 24th March, 2022. Out of 115 ULBs in the State, elections were held for 109 ULBs (47 Municipalities, 59 Notified Area Councils (NACs) and 3 Municipal Corporations) in the State. Remuna NAC in Balasore District went for the election for the first time. Even though the NAC was constituted on 18.02.1999, elections was not held due to stay orders of the Hon'ble High Court of Orissa.

Election for the remaining 6 ULBs were not held in March, 2022 as Elections to (1) Hindol NAC and (2) Attabira NAC are due in 2023, elections to (3) Rourkela Municipal Corporation, (4) Sambalpur Municipal Corporation and (5) Odagaon NAC could not be held from the dates of their constitution on 14.11.2014, 21.11.2014 and 17.08.2017 respectively, due to dispute in their Delimitation of Wards and Reservation of Seats which are subjudice in the Hon'ble High Court of Orissa and elections to (6) Puri Municipality could not be held because of stay order dated 23.02.2022 of the Hon'ble High Court of Orissa.

The General Election to ULBs could not be conducted in time because of the delay in finalization of delimitation of Wards and reservation of seats due to cases pending in the Hon'ble High Court of Orissa and Supreme Court of India followed by the COVID-19 pandemic in the State. As soon as partial normalcy was restored and the lockdown was lifted by the Government, the Commission took up the matter with State Government and urged the State Govt. to finalize the delimitation and reservation of seats with due compliance to the order of the Hon'ble High Court order and the Hon'ble Supreme Court capping reservation to 50%.

The Hon'ble High Court, Orissa in W.P.(C) No.27005/2019, directed the State Government vide order dated 19.04.2021 to complete the process of Amendment of Acts relating to reservation and take up the process of Delimitation of Wards and Reservation of Seats as expeditiously as possible, keeping in view Covid-19 Pandemic situation.

The Government in H&UD Department vide Notification No. 10346 dated 08.09.2021, amended the concerned provisions of the Odisha Municipal Act, 1950 & Odisha Municipal Corporation Act, 2003 limiting the reservation to 50% of total

number of seats reserved for SC, ST & BCC as per orders of Hon'ble High Court and Supreme Court. Further, basing on the orders of the Hon'ble High Court of Orissa dated 22.12.2021, the H & UD Department did not reserve any seat for the BCC category in the ensuing General Elections to ULBs in the State. The 5th General Elections to ULBs were held without any reservation for the BCC category.

In light of these developments, the State Government in H&UD Department vide letter dated 01.01.2022 issued programme for Delimitation of Wards and Reservation of Seats for the 107 Municipalities/NACs in the State. As per the programme issued, the Delimitation of Wards and Reservation of Seats for Municipalities/NACs were finalized by the District Magistrates on 13.01.2022 and appeals were filed before the State Government by 28.01.2022. After finalization of the appeals by the State Government, the District Magistrates published the final list of wards and reservation of seats in respect of 106 Municipalities/NACs on 31.01.2022.

The Commission vide Notification dated 02.02.2022 issued the programme for preparation of Electoral Rolls. The Assembly Electoral Roll published on 5th January, 2022 by the Election Commission of India (ECI) was made the basis for preparation of Ward wise Electoral Roll. Since the Electoral Roll was published by the ECI on 5.1.2022 and the preparation of Ward wise Electoral Roll for elections to ULBs was to be done in February 2022, it was decided that no new voter would be enrolled for the Urban Elections 2022 and all the eligible voters from the Assembly Electoral Rolls published on 05.01.2022 shall be included in the ULB Electoral Rolls. The final Electoral Roll in respect of all the ULBs including Municipal Corporations were published on 24th February, 2022 and the last date of submission of printed copy to the Commission was 28th February, 2022.

The Commission held a meeting on Video Conference with all the District Collectors, Election Officers and Municipal Commissioners (Bhubaneswar and Cuttack Municipal Corporation) on 20.01.2022 and 25.01.2022 (BMC and CMC) respectively to brief them about the preparation of Electoral Rolls.

As per the final Electoral Roll, the total number of Polling Booths was 4452. Arrangements were made for 40,60,929 voters to exercise their franchise for electing 1731 Councillors and 168 Corporators.

Accordingly, the Commission issued programme for holding 5th General Elections to ULBs in respect of 106 Municipalities and NACs and 3 Municipal

Corporations fixing the date of poll to 24th March, 2022 and the date of counting to 26th March, 2022.

With the issue of Notifications, the Commission held meetings with Chief Secretary, D.G & I.G of Police, District Magistrates, Political Parties, Superintendents of Police and Senior Officials at State level to take stock of the situation and to ensure that concerted action is taken by all concerned to complete the election process smoothly in a free and fair manner. Video Conferences were held on a regular basis from the SEC Office with the Collectors, Superintendents of Police and other officers to review preparedness of the District administration, including the law and order situation.

The campaigning and polling periods passed quite peacefully and free from any untoward incident. The counting process also went off quite smoothly.

The overall poll percentage was 59% compared to the poll percentage of 61% for the last General Elections to ULBs held in 2013.

Some of the new initiatives taken by the Commission during the 5th General Elections to ULBs, 2022 are as follows:

- **Greater transparency (Website):-** All the instructions/orders/notifications were immediately uploaded on the Commission's Website for immediate information of the field functionaries and Political Parties.
- **Voter list in softcopy supplied to Political Parties along with hard copy:-** To ensure transparency at all levels, the preliminary and final Electoral Rolls were uploaded on the concerned ULB/District Website and also shared with the recognized National & State Political Parties free of cost.
- **Parinaam Portal:** The Parinaam portal was designed through the Odisha Computer Application Centre (OCAC), Bhubaneswar to disseminate quick and accurate trends and final result sharing by all the ULBs. Election Officers entered the candidates data, reservation status and polling booths in each ward. Results obtained from the Counting Halls of the ULBs were immediately uploaded in the portal which could be shared with the print & electronic media. As a result, it was possible to disseminate real time counting trends and results to the public through the media.
- **Google Sheet:-** Information regarding non-statutory nature data were collected through Google Sheet from the Election Officers, which comprises information on voters, strong room and counting centers, number of

nominations filed daily, poll percentage, poll day report, model booth report etc. This ensured real time data collection.

- **App based application:** Berhampur Municipal Corporation launched a new Mobile Application available in the Google Play Store known as 'SAFA' App, for voter/booth search facility called as 'Know Your Booth'. Voters could enter their Voter ID/EPIC Number to know their concerned booth and there was also an option of getting the Google Map location and travel route through the App.
- **Direct Election to Mayor & Chairperson:-** Direct Elections for all posts of Mayor/ Chairperson were held for the first time as per the Municipal Amendment Rules dated 18th September, 2018.
- **Decentralization of printing of Ballot Paper:-** Ballot Papers were printed at the District Level except for Khurda, Cuttack, Kalahandi, Kendrapada & Ganjam Districts to minimize the pressure on Govt. Press, Cuttack. This helped in supply of error free ballot papers to the Election Officers on time.
- **Introduction of NOTA:-** None Of The Above (NOTA) option in Ballot Papers was introduced for the first time.
- **Model Booths:-** Model Booths, at the rate of one per NAC, three per Municipality & five per Municipal Corporation having basic minimum facilities like drinking water, toilets, ramp, waiting area etc. were made. 2441 wheel chairs were arranged for PwD voters. Selfie points were set up to attract youth voters.
- **All Women Polling Personnel Booth:-** 224 all Women Polling Personnel Booths were set up in the State. The Presiding Officer, all Polling Officers and police personnel attached to the polling party were all women.
- **Facilities for PwD Voters:-** Ramps were provided in all the booths. 3309 NSS volunteers were deployed to assist Persons with Disabilities. Blind and infirm voters could take the help of companions as per the provisions of the Municipal Rules. Braille numeral stickers were also used in EVM Ballot Units.
- **Toll free Helpline:-** A toll free helpline number 18003457787 was set up at OCAC and it was supervised by a Joint Secretary rank OAS Officer. The helpline received 1080 calls.

We hope that this report on General Elections to Urban Local Bodies in Odisha, 2022 would be useful for the coming elections and future research studies.

The Commission would like to place on record the co-operation received from the Political Parties, District Administration, Police Personnel and the Electronic & Print Media for conduct of free and fair polls. The Commission would also like to acknowledge the support provided by the State Government for the smooth conduct of the ULB elections in the State.

2. Electoral Roll

Preparation and Printing of Electoral Roll

The Commission instructed all District Magistrates vide letter No. 65, dated 04.01.2022 that the Ward wise Electoral Roll of Urban Local Bodies will be prepared basing on the Assembly Constituency wise Electoral Roll published by Chief Electoral Officer, Odisha on 05.01.2022. For the first time, the Assembly wise electoral roll data was obtained from Chief Electoral Officer, Odisha in Excel format and shared with the districts. A sample format was circulated vide the above letter and the field Officials were instructed to be acquainted with the new format of preparation of Electoral Roll. Detailed instructions were issued by the Commission in this regard. The District Magistrates were requested to identify suitable printing firms who will be able to prepare and print the ward wise electoral rolls for the Urban elections.

Govt. in Housing and Urban Development Department had issued a notification on 19.01.2022 amending the Odisha Municipal Rules authorizing the Election Commission to prescribe Election periods while drawing up the detailed schedule for preparation of the Electoral Roll. In consonance with this amendment, Commission issued Order No. 1760 dated 02.02.2022 to prepare Ward wise Electoral Roll of 107 Municipalities and NACs and Order No.1768, dated 02.02.2022 for preparation of Ward wise Electoral Roll of three Municipal Corporations.

As per the Schedule drawn up by the Commission, the publication of the preliminary Electoral Roll was made on 10.1.2022 and the date of final publication was fixed to 24.2.2022. Detailed procedure for preparation of ward wise Electoral Roll was laid down in the Order. Since the Assembly Constituency wise Electoral Roll as on 1.1.2022 and published on 5.1.2022 by the Election Commission of India was adopted for the preparation of Ward wise Electoral Roll of the Municipal Corporation/ Municipalities and NACs, no separate qualifying date for enrolment of new voters was indicated as the Electoral Roll had been published very recently.

The Commission held a meeting with all District Magistrates and Election Officers on 20.01.2022 to brief them about the preparation of the electoral roll ULB wise. It was emphasized that all eligible electors whose names are found in the Assembly Electoral Roll have to be included in the ULB

electoral roll. A physical meeting of the DMs and Election Officers of Cuttack and Khurda was held on 25.01.2022 to take stock of the preparedness of Bhubaneswar Municipal Corporation and Cuttack Municipal Corporation.

The quality of the electoral rolls was high, given the fact that hardly any complaint was received from the public regarding non-inclusion of names in the roll. However, shifting of voters from one ward to another within the Urban body was done on the elector's application.

Printing of Electoral Roll

The printing of preliminary and Final Electoral Roll was done at the District level at printing presses selected by District Magistrates following due process. The maximum printing rate per page was communicated to the Districts and funds were placed accordingly.

For the first time, both the Preliminary and final Electoral Rolls were uploaded on the concerned ULB/ District web site. Both hard and soft copies of Preliminary and Final Electoral Rolls were shared with the recognized National and State political parties free of cost. Other political parties and candidates could purchase the same on payment of cost.

SAFA App

The Ganjam District administration launched a new initiative 'Know your Booth' in SAFA App to help voters find their booth location where they can cast their vote in the Urban Elections to Berhampur Municipal Corporation-2022. Voters could enter their Voter ID/ EPIC Number to know their concerned booth and there was also an option of getting the Google Map location and travel route through the App. Ward wise list of booths could also be accessed through the App.

The SAFA App was available on the Google Play Store.

5. Training of Election Officers

In view of prevailing Covid-19 pandemic situation, and to avoid wastage of time of the field staff in travelling long distances, most trainings and reviews at the SEC office level were conducted virtually. For this purpose, the OSWAN system was set up in the main Conference Hall of the Commission. However training programmes were held in the physical mode at the field level.

The Election Officers were imparted orientation on receipt of nominations and scrutiny on 25.2.2022 through video conference.

A training of Election Officers and District Master Trainers for conducting training of Presiding officers at the ULB level was held on 12.3.2022. Besides, training on counting of Votes and PARINAAM portal was held on 16.3.2022.

10. Printing of Ballot papers

In the earlier General Elections to Urban Local Bodies, ballot papers were printed at the Directorate of Printing, Stationary and Publication, Odisha, Cuttack. This is because the earlier elections were held in a staggered manner. This time simultaneous elections were held for 109 ULBs for the first time and we were also having direct elections for Mayors / Chairpersons of the ULBs. In view of the large number of Wards and variety of ballot papers to be printed within a short time, including those for Chairperson, it was decided to decentralize the printing of ballot papers at the respective District Headquarters.

The ADMs cum Nodal Officers were given an orientation on 10th and 11th Feb, 2022 at Govt. Press Cuttack and they were asked to select suitable printing presses. The format of the ballot paper, symbols and required quantity of paper (pink colour for Councillors / Corporators and yellow colour for Chairpersons/ Mayors) were supplied to the Districts from Govt. Press Cuttack. Immediately after publication of final list of contesting candidates, the ballot papers were printed at the selected printing firm under police security and kept in the Treasury till commissioning.

The ballot papers of all the Urban Local Bodies of Cuttack, Ganjam and Khurdha which also had Municipal Corporations, required large number of Ballot Papers. Hence those were printed at Govt. Press Cuttack. The ballot papers of two ULBs of Kendrapara district were also printed at the Govt. Press as the owner of the selected printing press became a candidate for the elections. The ballot papers relating to the Urban Local Bodies of the remaining 26 districts were printed at the respective District level.

11. Election Schedule for Municipal Corporations, Municipalities and NACs

Strong Rooms

The Commission prescribed a Standard Operating Procedure (SOP) for setting up strong rooms, opening and closing of the strong rooms for pre-poll and post-poll storage as well as post counting storage of EVMs.

The strong rooms were under double lock system with 24/7 security cover by Odisha Armed Police. They were provided with CCTV coverage with Digital Video Recorder from the date of commissioning till the date of counting. At that time of opening and closing of strong room, videography was mandatory. The polled EVMs of Councillors/ Corporators were kept separately from the polled EVMs of Chairpersons/ Mayors. Each strong room centre had three rooms- One each for Councillor/ Corporator, Chairperson/ Mayor and reserve EVMs.

Counting Centres

The Commission had issued instructions to take up counting of votes both for Councillors/ Corporator and Chairpersons/ Mayor in the same counting hall with equal number of tables for each. The maximum number of tables for a NAC was 2, for a Municipality was 5 and for a Corporation it was 12 each depending on the size of the hall.

Each counting table was manned by one Counting Supervisor and one Counting Assistant and supported by one Group D staff. 16. PARINAAM Portal

For the first time, an application named PARINAAM was developed for collecting counting results online and dissemination of the same to the media on real time basis. The PARINAAM portal was developed by OCAC by a team of software developers within a short period of 15-20 days.

The Election Officers and technical personnel were imparted training on the PARINAAM portal on 16.3.2022. The User Manual was also shared with all the Election Officers. The Election Officers entered the pre-counting data like number of booths in a Ward, reservation status, candidate information etc. on 17-18 March 2022. A mock counting was conducted on 22.3.2022 and the working of the application was tested. The Election Officers made arrangements for at least for 2 computers/ laptops at each counting center with internet facility and adequate numbers of computer programmers/ data entry operators to enter the counting results.

On the counting day i.e. 26.3.2022, the counting results were entered into the portal from the counting centers and the booth wise trends and results were available instantly for viewing at the District level and State level. The trends and results were shared with the media on real time basis. A special media cell was opened at the Commission's Office for this purpose.
